

OVERVIEW OF CAF-FCA EDUCATOR RESOURCES

CAREERS IN
TRADES.CA

CAREERS IN TRADES WEBSITE

The Careers in Trades website by CAF-FCA and Skills Canada provides information about the skilled trades by sector, finding an employer, becoming registered as an apprentice, youth apprenticeship programs, pre-apprenticeship programs and grants and supports.

www.careersintrades.ca

THE SKILLED TRADES NETWORK

The Skilled Trades Network provides link to resources by nationally and by province and territory. You can access information about pre-apprenticeship programs, local networking groups, essential skills programs and financial resources.

TRADES EXPLORER TOOL

The Trades Explorer Tool helps students think about what specific trade might be a good fit for them based upon their skills and interests.

[Discover and Explore the Trades](#)

VIDEOS/PODCASTS

Videos and podcasts feature apprentices and journeypersons sharing the benefits of apprenticeship training and careers in the skilled trades.

[Videos](#)

Each provincial and territorial apprenticeship department or authority has promotional resources for educators. Any specific questions about individual apprenticeship systems should be directed to the provincial or territorial officials who regulate and administer apprenticeship systems.
